GETTING STARTED WITH YOUR SHOOT

What happens before, during and after your shoot, and what we need from you to make the day go right.

Thank you for booking DEPARTURZ for your production. Everything you need is in one place below: the steps from here to delivery, what we need from you, and what to expect on the day.

1. NEXT STEPS AND TIMELINE

1. **Sign and pay the deposit.** Accept your agreement and pay the deposit in your DEPARTURZ portal. The deposit holds your dates.
2. **Creative call.** A short call to talk through your goals, audience, references and what you need delivered.
3. **Pre-production.** We put together the shot list, schedule and call sheet, and confirm locations, people and gear.
4. **Shoot day.** We arrive, set up, and film to plan, backing up every card before it's cleared.
5. **After the shoot.** Footage is delivered as your agreement says, or goes into the edit if post-production is booked.
6. **Wrap.** Final invoice, delivery, and your files stay available in the portal for the archive period.

2. WHAT WE NEED FROM YOU

The brief

- What the piece is for, who it's for, and where it will live (Instagram, YouTube, TV, an event screen)
- Two or three videos you love, and what you love about each
- Everything you need delivered: lengths, formats, vertical or horizontal, and the deadline
- Who approves the work on your side

People

- Names and roles of everyone on camera
- A signed appearance release for each person on camera. We can provide a template.
- For anyone under 18, a parent or guardian's consent and any required work permits

Locations

- Addresses, contact person, and access times for each location

- Parking and load-in details, and where we can plug in
- Any location permits, rules or certificates of insurance the location requires
- For drone shots, the exact location early, so we can check airspace and get any authorization in time

Schedule

- Call time and the day's schedule or run of show for events
- Meal plan for days longer than six hours

Brand and music

- Logos, fonts and brand colors for any graphics
- Any music you'd like used, with a license for it. Popular songs usually need a license we can't get for you. We can suggest royalty-free options.

3. ON THE DAY

- **One point of contact.** Please have one person on site who can make decisions.
- **Call time is start time.** We arrive early to set up so we can roll at call.
- **A standard day is ten hours**, including a thirty-minute meal. Overtime, if needed, is billed as your agreement says, and we'll always check with you first.
- **Safety first.** We may pause or skip a shot that isn't safe, and our drone pilot has the final word on flights.
- **Weather.** For outdoor shoots, we'll talk forty-eight hours ahead. You can move an outdoor shoot once for weather at no charge.

4. CHANGES AND CANCELLATIONS

Schedule changes need seventy-two hours' notice. Cancellations within seventy-two hours of call, or on the day, have fees, and your agreement has the details. Rentals, permits and other outside costs you approved are yours either way.

5. HOW TO PAY

- **In your portal:** under Payments, pay by card, Apple Pay, Cash App Pay, PayPal or Venmo.
- **By Zelle:** send to 832-837-0772 (the name shows as Nathaniel Shoyinka) and put your invoice number in the memo.

Your invoice covers DEPARTURZ's work and equipment. Rentals, studios, permits, insurance, travel, talent and music licenses are paid by you, directly or as reimbursements, as your agreement explains.

6. GOOD TO KNOW

- **You own the final deliverables** once they're paid in full. Raw footage is delivered as your agreement says.
- **Keep your own copies.** We back up your footage and keep it for the archive period in your agreement, then clear it.

- **Credit.** If the work carries credits, we're listed as agreed.
